

PROFESSIONAL RUNWAY & PHOTOGRAPHIC

ACTOR & MODEL INSTITUTE

If you are serious about becoming part of the fashion industry, strutting your talents on runways and being booked as a photographic model, this professional course gives you the experience and training you need to stand out! Focusing on runway techniques, choreography of a runway show, photographic modelling, make up and hair styling, this course is offered by invite only to models who meet the industry height requirements.

COURSE DURATION

School Holiday Course (3 Day Intensive) **OR** 8 Weeks (includes graduation), one 2hr session per week.

WHAT YOU GET

State of the art studio location
Course workbook
Professional fashion shoot at end of course
Industry skilled teachers

COURSE OUTLINE

Learn from long-standing high-end model coaches in the industry as you dedicate your time to mastering the art of runway, photographic and presentation. Learn from photographers about body shape and positioning for your individual look. Understand what goes on backstage at events and runway shows, learn about hair styling and professional makeup and finish with your own fashion shoot, organized by the agency.

TUTORS

We believe in learning from the best – so we supply the most established tutors with the highest level of industry knowledge in their specialized area.
